

## A MESSAGE FROM OUR GENERAL MANAGER

As we begin the 32<sup>nd</sup> year of service to our community, I would like to take a moment and share a few thoughts with you.

Whether you're a patient VAS has transported, a member of one of the many public service agencies we work with, a staff member at one of the extended care facilities we serve, or a citizen in one of the towns we provide 9-1-1 service for, I want to say thank you for letting us serve you over the past 31 years.

We feel our success is the direct result of the outstanding employees we have. There is no other factor that has had such a direct impact on our company.

The employees of VAS are the "Best of the Best" and are our most important asset; they are VAS. To all VAS employees, past and present, I thank you.

In light of the many changes occurring within our organization, we have remained focused on providing quality ambulance service to the community. We take great pride in doing whatever it takes to exceed your expectations and we vow to continue offering a wide range of exceptional medical transportation services from pre-hospital emergency care to non-emergency services for a variety of consumers, including healthcare clinics, hospitals, skilled nursing facilities, and YOU, our most valued customer.

Thanks again and stay safe!

*Shawn P. Godfrey*

## DONATIONS

Twenty-four hours a day, seven days a week, 52 weeks each year, the 45-plus EMTs and Paramedics of Village Ambulance Service are ready to provide emergency medical transportation when you need help. Last year, VAS ambulances traveled more than 95,000 miles, responding to more than 3,100 calls for help.

Once a year, Village Ambulance Service needs your help. Nearly 20 percent of the operational costs of the Service must be met by the membership and the business-sponsor contributions from the communities served by VAS. That support is essential for the Service to continue to meet your needs.

The form at the right may be used by current members and sponsors to renew support for another year, and by new members and business sponsors who wish to join. All are welcome!

While any contribution is appreciated, VAS suggests that individuals and households contribute at the following levels:

Individuals	\$ 40
Families	\$ 75
Families (over 65)	\$ 30
Patrons	\$ 200
Benefactors	\$ 250

Businesses may become corporate sponsors by making any contribution they deem appropriate. Memorial gifts or bequests may also be made to the VAS capital endowment fund. For information, please call the VAS office at 458-4889. All contributions are tax deductible.
